

Year 1/2

Autumn Term

Space and World War One

We are very excited to be immersed in the history of space. We will be learning all about important historical space figures concluding in a trip to the South Downs Planetarium. After the half term break, we will return and learn all about the roles of animals during conflicts. We will also be rehearsing and preparing for our Nativity production – The Bethlehem Bake Off.

Reading and Writing

Beegu and Man on the Moon
Where the Poppies Grow

Maths

Year 1 – Numbers to 10 & Addition and Subtraction
Year 2 – Place Value & Addition and Subtraction
